A Voice out of Nowhere: Inside the mind of a mass murderer Janice Holly Booth

Described as "the consummate page-turner," *A Voice out of Nowhere* delves deep into the mind of a psychotic killer. In this tragic true story about one young man's harrowing descent into madness and murder, *A Voice out of Nowhere* offers a rare glimpse inside the workings of a criminally disordered mind. In the narrative style of non-fiction novels like *In Cold Blood* and *Columbine*, best-selling author Janice Holly Booth draws from court transcripts, eye-witness statements and personal interviews to go beyond the headlines and share little-known details of the tragedy. Fascinating, riveting and heartbreaking, *A Voice out of Nowhere* will incite readers to think differently about the insanity defense and the awful consequences of untreated mental illness.

"From the haunting opening to the nail-biting climax, this is a journey into madness and murder you will find hard to put down." -- C.E. Lawrence, award-winning author of the Lee Campbell "Silent" thriller series.
