## **Dream House: A Novel by CutiePieMarzia** Marzia Bisognin

From YouTube sensation Marzia “CutiePieMarzia” Bisognin comes a debut young adult paranormal thriller about a girl whose dream house quickly becomes a nightmare.

When Amethyst stumbles upon the house of her dreams, she can't help but be enchanted by it, even if there's something a little...*off* about the place.

It's everything she's ever wanted in a home, so when the Blooms invite her to stay the night to avoid an impending storm, she instantly accepts.

Yet when she awakes the next morning, alone and unable to bring herself to leave, Amethyst comes face-to-face with unexpected twists and turns—like Alfred, the creepy gardener; Avery, the handsome but secretive neighbor, and a little girl who keeps appearing and vanishing within the house.

As Amethyst searches for the Blooms and tries to unravel the truth, her connection to the house only grows stronger. Will she be able to break free of the house's allure, or will its secrets keep her trapped forever?
