A war for a nation. The battle for her heart.

'Only once in his life had Sean met a man whose strength matched his own - and now, again, they were pitted against each other...'

Sean Courtney, impulsive adventurer of *When the Lion Feeds* returns from the wilderness a rich man - until he is robbed by the Boers of his wagons, his gold and the girl he loves.

A grim homecoming finds his country in the cruel grip of war. But in the bloody days ahead, conflicts within his family will prove far more bitter than any fought on the veld...

This is the gripping second novel, in the Courtneys sequence.
