Him Kerry D. King

1974 A young woman receives an ominous book in the mail that foreshadows the benevolent possession of a coworker and the arrival of an entity from another dimension. Based on actual events, HIM is a story of magick, music and spiritual awakening...an expansion of consciousness that enables the reader to transcend this everyday world of matter and light, and step into worlds where up is down, east is west, Hell is Heaven and right is wrong. Worlds where gravity doesn't exist and matter is created in a blink of the mind and the flash of a thought. This book opens doors. As these chapters unfold, events will take place in your life that will prove the authenticity of this message...if you're ready.
