Perfect for fans of Lord of the Rings, the *New York Times* bestselling Inheritance Cycle about the dragon rider Eragon has sold over 35 million copies and is an international fantasy sensation.

Not so very long ago, Eragon—Shadeslayer, Dragon Rider—was nothing more than a poor farm boy, and his dragon, Saphira, only a blue stone in the forest. Now the fate of an entire civilization rests on their shoulders.

Long months of training and battle have brought victories and hope, but they have also brought heartbreaking loss. And still, the real battle lies ahead: they must confront Galbatorix. When they do, they will have to be strong enough to defeat him. And if they cannot, no one can. There will be no second chances.

The Rider and his dragon have come further than anyone dared to hope. But can they topple the evil king and restore justice to Alagaësia? And if so, at what cost?

This is the much-anticipated, astonishing conclusion to the worldwide bestselling Inheritance cycle.

From the Hardcover edition.
