*[This book is PART 6. Readers should begin by reading PARTS 1-5 first. Part 6 is the last part of this serial novel.]*

Jennifer gets the shock of a lifetime when an accident sends her to the hospital and she receives news she never expected to get. Her entire life is turned upside down, and she finds herself having to make some very hard and terrifying decisions. Life is spinning out of control, and the only time she feels like she can manage the insanity is when she's naked with William. That's not necessarily a bad thing as far as she's concerned, but it doesn't exactly solve her problems...

William is reminded that it's the best laid schemes that go awry when the news that his life has changed forever makes him reconsider everything he ever imagined for himself. Ingrid is digging her talons deeper and deeper into their lives, and Edward's as off the rails as ever. The problems in Scotland continue to plague the family business, and try as he might, William cannot remain separated from the drama for long.

This ebook is Part 6 of the serial romance novel, **JUST ONE NIGHT**, approximately 25,000 words or 125 paper pages long. **The story concludes with this part.**

*Content warning: Due to sexy situations and content, this book is definitely not appropriate for younger readers.*
