Noctuary

Thomas Ligotti

Noctuary Thomas Ligotti

Noctuary is the third volume of Thomas Ligotti's horror stories to appear in a revised, definitive edition from Subterranean Press. The first two collections in this series, *Songs of a Dead Dreamer* (2010; 1986; expanded edition, 1989) and *Grimscribe: His Lives and Works* (2011; originally published 1991), are now collector's items. Like its predecessors, *Noctuary* received numerous plaudits from reviewers upon its initial appearance. According to *Library Journal*, *Noctuary* is "another colorful collection of horror stories--which spring on the unsuspecting reader the combination of supernatural characters, natural props, and 'weird' circumstances." As *Booklist* observed, "The most disturbing terror comes from within, springs unexpectedly from bland or half-formed memories of the past. This is the terror that Ligotti cultivates in the rich evocative tales of *Noctuary*--For those willing to immerse themselves in Ligotti's world, the rewards are great."

When an interviewer asked Ligotti the derivation of the word "noctuary," he replied that it was the nocturnal counterpart of "diary," that is, a journal of what occurs on a nightly timetable rather than during the light of day. Echoing the tenebrous tone of the book's name are the section titles into which *Noctuary* is divided--*Studies in Shadow*, *Discourse on Blackness*, *Notebook of the Night*. *Shadow*, *Blackness*, *Night*: these are substance and signification of the themes of Ligotti's works and the signature of gloom in which they are signed.

New to *Noctuary* are the tense pieces of the volume's third section. Composed of nineteen dreamy entries, *Notebook of the Night* is a journal--or perhaps only excerpts of a greater work--of insidious exploits, delirious freaks, hymns to the void, esoteric rituals, and carnivals of the abyss. As an introduction to this and the other segments of *Noctuary* is "In the Night, in the Dark: A Note on the Appreciation of Weird Fiction." Perhaps the reader will find guidance in the words of this meditation on what separates the aberrant from the norm, the diseased from the wholesome, and the night from the day.
