Ominous (Private) Kate Brian

After the shocking revelations made in the Private prequel, *The Book of Spells*, Noelle and Reed know they are descendants of the original Billings Girls and their legacy includes a mysterious coven of witches. But it's nothing compared to what happens next.

One by one, Billings Girls go missing from campus.

The entire community bands together to find the lost girls, hoping they are still alive. Reed can't believe tragedy has struck Easton again, and she begins to wonder if the Billings Girls are cursed. But when the first body shows up containing a message just for her, she fears her friends are worse than cursed: they're doomed.

The penultimate book in the suspenseful Private series!
