Poems: What Love Is

Victor Marshall Depta

Poems: What Love Is Victor Marshall Depta

The poetry in Poems: What Love Is can best be described as performance pieces--Appalachian folk voices which an audience can respond to the humor of--then formal poems--often ballad-like, and rhymed and unrhymed shorter pieces, which are subtler and more subjective in tone. The subject is love in its many guises: romantic, filial, parental, intellectual and mystical. The need for love, and its often unrequited consequences, is the subject of Poems: What Love Is.
