Requiem of Assassins I: Assassination of the Raven Jesse C. Pacheco

A child is born along with thousands of other children at a military camp where the kids are trained in multiple areas of combat and warfare. When the camp burns down, only four children survive. The four go their separate ways. Jack is picked up by The Ravens and is trained in their way of killing. Years later he starts to hear an eerie voice that says that The Ravens have been lying to him and he should betray them. Now Jack is left with a daunting decision. Should he continue fighting against The Templars? Or should he bite the hand that feeds? Some unknown skeletons pop up from his past, ones he never knew he had. A California native, Jesse C. Pacheco has already started on the sequel. "My inspirations come from movies, video games, and comic books. Nowadays video games are more interactive stories than 'games.' They have taught me a lot about a vast majority of topics and led me into researching mythology, martial arts, history, weaponry, folklore, conspiracies, and many more. Then I would try to incorporate what I have researched into my stories to give them different layers, and things for the readers to learn." Publisher's website: <http://sbpra.com/JesseCPacheco>
