Watching the Doctor Take Her: Doctors of the Hartly Institute: Book Three (Doctors of Hartly Institute 3) Diana Kildare

It's 1963 and Mitch and Donna Carlisle had saved themselves for marriage. Their lack of experience, however, made for uncomfortable, even painful fumbings once the knot was tied. On the advice of happy friends, they made an appointment to see Dr. O'Brien, a graduate of the **Hartly Institute for Sexual Research**. Using unorthodox, very "hands" on techniques, the **doctor shows Mitch exactly what he needs to do** to make his new wife happy.
